

## BlackJack PANT LINER Fitting Room

**HOW?** BlackJack Liners should be worn snug but not tight.

**WHY?** Correct fitting optimizes heat transfer to your body core.

### How to Measure Your Waist:

**MEASURING TAPE** –at the navel parallel to the ground both in front and back, just snug enough not to slip down.

### How to Measure Your Hips:

**MEASURING TAPE** – around the fullest point, parallel to the ground both in front and back, just snug enough not to slip down.

**BlackJack Pant Sizes** - determined by your **hip** and **waist** measurements

- stretch panels allow form fit adjustment sizing

\* exact inseam length on LINERS is not critical
